### DS-RR100 “ReadyTouch” Kiosk Free Standing Kiosk System

The DS-RR100 is the latest in our line of free-standing enclosures. Fully ADA compliant, the RR100 features your choice of a 15-inch or 17-inch touchscreen monitor and Pentium computer housed in an attractive and rugged enclosure. It is designed for easy installation into a variety of locations, and can be readily customized with a choice of powder coat paints.

The DS-RR100 comes with active ventilation, front access to all components, surge protector/power strip, and mounting holes for securing the unit to the floor.

### Standard Features:

- Intel Processor
- Windows 2000 or XP operating system
- 10/100 Network card
- Serial, USB, Printer ports
- 15-inch or 17-inch LCD monitor
- Surface Acoustic Wave touchscreen technology
- Programmable auto power down and start up
- Lockable front panel
