Gregory Signs & Engraving Ltd.
Vaughan, Ontario
June 2008.

PRESS RELEASE!!

First incorporated in 1981, Gregory Signs & Engraving Ltd. is a leading North American supplier of Custom Communication Signage Programs.

“Establishing a manufacturing base in China—to serve China and North America—is essential to providing our customers in this strategic market with more competitive cost,” said Boris Kaminsky, Vice President of Sales & Marketing.

The joint venture will provide an immediate foothold for Gregory Signs & Engraving Ltd. manufacture locally and increase sales into the fast-growing Chinese market. At the same time this will provide opportunities for our clients in North America to save money on mass production exterior/interior signage programs and provide new product lines to our local market!

Beijing SinSign Sign Manufacturing produces signage products and was a sought out partner who could help reduce the cost of manufacturing. Star Orbit Beijing will assist our customers in the business of display and exhibits

Gregory Signs & Engraving Ltd. is expanding its presence in China (Beijing) with the signing of a manufacturing joint venture agreement with Star Orbit Beijing (Display/Exhibit Manufacturer) and Beijing SinSign Sign Manufacturing Co. Ltd.
