

GREGORY SIGNS & ENGRAVING LIMITED

Gregory Signs & Engraving Ltd.
137 Buttermill Avenue.
Vaughan, Ontario,
L4K 3X5
April 2007.

Locally owned and operated by Gregory Kaminsky, we have recently re-located to a 20,000 square foot facility to cope with increased consumer demand. As the new year unrolls, things haven't slowed down for the company and sales are expected to double over last year.

This is a great success story for Mr. Kaminsky, an immigrant of Russia in 1975, who established the company in 1981 as an engraving shop in the basement of his home.

Today, Gregory Signs houses 30 employees and provides services including design, project management, in-house manufacturing and custom signage from design to installation.

If you've ever been involved in starting a business or re-imagining a business, chances are you've realized that one of the most important - and toughest - tasks, is to draw customers and positive attention to your company.

Finding the correct words, mediums and images to promote a business to targeted clientele requires someone who knows the art of advertising well. At Gregory Signs, companies of all sizes find the advertising expertise and talent they need to help differentiate their company in today's competitive market. We believe that your sign should be a direct reflection of your business image. You have one shot up front to get that across to your potential customer, so make it count.

Gregory Signs has expanded over the years due to customer demands. We now design, consult, manufacture, service and install custom signage, sign systems, sign programs and outdoor advertising packages. You can find our clients all across North America.

Our most recent partnership with Burry Signs confirms once more our growth as a Canadian company. Burry Signs, being in the industry for more than 30 years,

has been a reliable digital printing, silk screen printing, vinyl lettering, on-line sign company. Now incorporated to Gregory Signs, Burry Signs will help as a major distributor of our services and products as a sign agency. Our clientele, as well as our expertise in the industry, expands and develops according to our customer's needs. We constantly improve both methods of production and our product range to maintain our position as market leader. We thrive in helping you create and display the image that your company deserves.

Current clientele include Discount Car and Truck Rental, St. Louis Bar and Grill, Domino's Pizza, Menkes, McDonald's, Dairy Queen, TD Canada Trust and SYSCO just to name a few.

Gregory Signs mission is to earn the recognition of our customers, employees, suppliers and the community, as one of the highest quality performers in the sign industry - in every aspect of our operation.

To accomplish our mission, we have adopted strategies that will help us provide our customers with the best overall value when they purchase our signs and services, making their purchase as convenient and pleasurable as possible. Such as building positive relationships with our employees, knowing that the success of our company is built upon the growth, recognition, and rewards for the skills, talents and efforts made by each person on our team. Also, recognizing our suppliers & subcontractors as part of our team, and continue to develop a network of outside associates to assist us in delivering what we promise.

We will accomplish these objectives with a fair profit to our company, allowing our customers, employees, suppliers and the community to benefit from our continuous growth and existence.
